

# Geauga County Genealogical Society

March-May 2018

## March 13, 2018 “Growing Up Amish”

Ever wonder what it would be like not to have electricity? A car? Telephones? Lorina Mast will tell us what it was like Growing Up Amish.

## April 10, 2018 “B&O Railroad Lake Branch: Fairport Harbor to Youngstown”

Trains have almost become a thing of the past. Not too long ago, however, the B&O Railroad was alive and well in Northern Ohio. Richard Kacprzak will explain its history in our area.

## May 8, 2018 “Mapping It Out”

Old maps showed more than how to get from place to place. Join Tom Edwards from the Cleveland Public Library’s map collection as he explains how to identify land owners, see what type structures existed in the area, and much more.

Unless otherwise noted, the Geauga County Genealogical Society meets the second Tuesday of each month, March- June & September-December, at Chardon Library (Bostwick Room) 110 E. Park Street, Chardon, 44024, on the east side of Chardon Square. Business meetings start at 7:00 p.m. followed by a program. All are welcome and invited to attend.
